

**NOTE: This suggested planning guide is NOT intended to serve as an official articulation agreement. Please review the information below for further details on course requirements. See your MC counselor and/or a UMBC-Shady Grove program representative for more information.**

#### **General UMBC Notes:**

- UMBC requires a minimum of 120 credits and a minimum 2.0 GPA for graduation
- Students may transfer a maximum of 60 credits from a two-year school and up to 90 credits from a four-year school to UMBC.
- Once enrolled in a degree program at UMBC, courses listed in ARTSYS may no longer apply. Students will need to check with their advisors and complete a Verification of Transferability form in order to ensure proper transfer of coursework.
- **Math Requirement** - Survey of College Math will only fulfill the UMBC GEP Mathematics requirement if a student completes the course with a C- or better prior to transferring to UMBC.
- **World Language Requirement** - A single language through the 201-level; exemptions based on proof of completion of Level 4 of a language in high school or results of a language proficiency exam. Students may demonstrate foreign language proficiency through other methods. Please see your academic advisor for more information. If exempt, take a general elective in place of language courses.
- **Physical Education Requirement** - UMBC requires that all students complete two Physical Education activity courses, with some exceptions: students who are 30 years of age or older at the time they begin their studies at UMBC and/or students who have served in the military (must submit copies of their DD-214 paperwork to Office of the Registrar). Students with medical reasons for exemption should contact their Program Director at UMBC. Also note: PE credits are not counted towards the final 120 academic credits required by UMBC. MC's Personalized Health Fitness course includes a physical activity portion; therefore, it will fulfill 1 PE requirement.

#### **Specific History Program Notes:**

- HIST 201 is a prerequisite for HIST 496 or 497 and should be taken during your first year after transfer to UMBC.
- Students can earn up to three credits for an internship (HIST 391). An internship is not required for the History major; however, students may count up to 3 credits of HIST 391 toward the 39 credits required for history majors.
- No grade lower than a "C" in any course will be counted toward the required 39 total credits for the history major.

**If you have questions or would like more information about UMBC's History Program at Shady Grove, please contact Dr. Andrew Nolan, Program Director, at [nolan@umbc.edu](mailto:nolan@umbc.edu) or 301-738-6182.**
