To build a quality relationship between the service-learning student and their community partner, students are responsible for meeting with their designated service site supervisor to complete this form. Students will then update their Basic Info profile on UMBCworks for the semester.

Student name: __________________________ Email: __________________________ Phone: __________________________

Organization/Program: __________________________ Phone: __________________________

Service Site Supervisor: __________________________ E-Mail: __________________________

Service-Learner's Goals (To be completed by the service-learning student):
1. What do you hope to learn from this service-learning experience?

2. How does this service opportunity relate to your future academic/career/personal goals?

Community Partner’s Mission (to be completed by/with the community partner):
1. Describe the mission of your organization.

2. What are at least two responsibilities/examples of how the service-learning student will assist in meeting the mission?

DAYS & TIMES SERVICE-LEARNER WILL BE ON SITE:

The site supervisor and service-learner have discussed goals and expectations as described above.

Service-Learning Student’s Signature: __________________________ Date: __________

Organization/Program Supervisor Signature: __________________________ Date: __________
