

Graduate Program in INDUSTRIAL/ORGANIZATIONAL PSYCHOLOGY

UMBC
AN HONORS UNIVERSITY IN MARYLAND

Master's of Professional Studies: Industrial/Organizational Psychology Program offered in Rockville, Maryland

I/O Psychology - a professionally-focused, relevant and practical graduate degree

- » According to the United States Department of Labor Bureau of Labor Statistics, I/O Psychology positions are expected to increase by 26% from 2008 to 2018.
- » There are many diverse career paths available, including working in the private sector, governmental, education, or consulting.
- » Industrial/Organizational psychologists contribute to an organization's success by improving the performance, satisfaction, safety, health and well-being of its employees with many career opportunities opening up with the completion of a Master's degree.

When you choose UMBC Professional Programs, you can count on:

- » A program led by a distinguished faculty of practitioners in the field.
- » An advisory board comprised of representatives from business, industry and government who provide valuable input on program and curriculum development.
- » Classes offered in the evening to accommodate working professionals.
- » Wide-ranging resources offered at a top-notch public research university.

Why UMBC?

- » The M.P.S. degree is a unique, highly applied program, which includes an Advisory Board comprised of representatives from business, industry, and government.
- » The 2017 *U.S. News & World Report Best Colleges* guide ranks UMBC in the top five on its closely-watched Most Innovative Schools list and has recognized UMBC as a global leader in higher education.
- » UMBC provides a comprehensive and quality education at a manageable cost.
