

Service-Learning
Expectations
and Learning Objectives
The Shriver Center at UMBC

Year	Reporting Period (circle one)
2019	Fall Due: Friday, September 20
	Winter Due:
	Spring Due:
	Summer Due:

To build a quality relationship between the service-learning student and their community partner, students are responsible for meeting with their designated service site supervisor to complete this form. Students will then update their **Basic Info** profile on UMBCworks for the semester. **Students are required to update the Basic Info Tab in UMBCWorks and submit their Service-Learning Expectations and Objectives Form to The Shriver Center by Friday, September 20.**

Student name: _____ Email: _____ Phone: _____

Organization/Program: _____ Phone: _____

Service Site Supervisor: _____ E-Mail: _____

Service-Learner's Goals (To be completed by the service-learning student):

1. What do you hope to learn from this service-learning experience?

2. How does this service opportunity relate to your future academic/career/personal goals?

Community Partner's Mission (to be completed by/with the community partner):

1. Describe the mission of your organization.

2. What are at least two responsibilities/examples of how the service-learning student will assist in meeting the mission?
