To build a quality relationship between the service-learning student and their community partner, students are responsible for meeting with their designated service site supervisor to complete this form. Students will then update their Basic Info profile on UMBCworks for the semester. Students are required to update the Basic Info Tab in UMBCWorks and submit their Service-Learning Expectations and Objectives Form to The Shriver Center by Friday, September 20.

Student name: ________________________________ Email: ___________________ Phone: ________________
Organization/Program: ________________________________________ Phone: __________________________
Service Site Supervisor: _________________________________________ E-Mail: ________________________

Service-Learner’s Goals (To be completed by the service-learning student):

1. What do you hope to learn from this service-learning experience?

2. How does this service opportunity relate to your future academic/career/personal goals?

Community Partner’s Mission (to be completed by/with the community partner):

1. Describe the mission of your organization.

2. What are at least two responsibilities/examples of how the service-learning student will assist in meeting the mission?

DAYS & TIMES SERVICE-LEARNER WILL BE ON SITE:

The site supervisor and service-learner have discussed goals and expectations as described above.
